ATTENDANCE AT REC AREAS AT NEW HIGH

The "wild west," "Mother Goose," a "progressive games carnival" and "bicycle polo" will be some of the features of next week's playground program here.

Recreation Director Ray Thompson reported 2,083 attendance during this week at the playgrounds and said it represented an increase over prior weeks.

A change was announced in the music program. The advanced trombone class originally scheduled by Instructor Robert Zeigler for 9 o'clock Friday morning will be combined with the intermediate class at 11:15 o'clock Friday morning.

TOT LOTS BUSY

Zeigler reported that formation of a new marching fundamentals class this week brought out 40 persons.

The Tot Lots were busy throughout this week and promise to be equally active next week. At the Eisenhower School Tot Lot, the theme this week was "Gettysburg." The youngsters visited WGET Monday with Parker Cunningham explaining the operation of the radio station; visited the firehouse Tuesday where Donald Jacobs showed them the operation of fire engines, etc.; toured Fantasyland Wednesday; were guests of Robert Weaver for a tour of the Spectra Kote plant on Thursday and then held a picnic and peanut scramble on the battlefield Friday. Next week will be Wild West Week at the Eisenhower Tot Lot with Indian dancers to be featured. Next Friday the county's 4-H Light Horse are Pony Club led by Mrs. Lawrence Heltzel will put on a demonstration of the care of ponies and demonstrate riding skills.

At the Recreation Park Tot Lot "The Circus" was the theme of this week's activities. A clown visited the area and held a balloon contest which was won by James Weikert. Clown faces and circus puzzles were made. Next week the group will visit Fantasyland and fairy tales from different countries will be featured daily.

EMPHASIZE SPORTS

Sports activities at the Fourth St. tot lot this week provided the following winners: Quoits, John Little; 50-yard dash and softball throw, John Little; first, Steven Hemler, second, and Susan Knox, third. Next week Mother Goose will be the theme for the Fourth St. tot lot with activities including Mother Goose rhymes, pantomime and dressing up dolls. Friday the youngsters will visit Fantasyland.

At the Recreation Park playground for older youngsters this week Richard Redding won the golf tournament and Carl Swinn won the title of grand champion in the bicycle rodeo. The girls hiked and held a picnic at Little Round Top. Next week at Rec Park, bicycle polo and tournaments in golf, marbles, box hockey.

COLLEGE CHOIR SINGS FOR NIXON

The Gettysburg College Choir has spent several days this week touring and singing in Switzerland. While at the Stadtkeller in Lucerne, the choir had the unexpected pleasure of welcoming and singing for former Vice President Richard M. Nixon, also touring in Europe.

When Nixon arrived at the restaurant the choir rose to welcome him with the Star Spangled Banner. In acknowledging the welcome Nixon greeted Prof. Parker B. Wagnild, director, and members of the choir personally.

Later in the evening the choir provided informal entertainment by singing Negro spirituals and other numbers. Nixon responded by playing the piano.

The choir continued its tour with visits to Interlaken, Grindelwald and other points of interest in Switzerland where they enjoyed the mountain scenery and local color. From Switzerland they will be going to Germany for a series of visits and concerts.

Red Concessions On Tests Ban, Nonaggression Pact, Raises Hope For Meeting

By PRESTON GROVER
MOSCOW (AP) — Premier Khrushchev's offer to ease cold war tension with a sweeping set of war prevention proposals raised hopes today of an early East-West summit conference.

Some diplomatic sources indicated the proposals involved so much that not one but a series of summit conferences may be necessary.

The Soviet premier offered Friday to back up a nuclear test ban agreement with a nonaggression pact and a system of airfield and railroad inspections to prevent surprise attacks.

NEAR AGREEMENT

He also gave the first official indication that U. S.-British-Soviet negotiations here are fast approaching a formal agreement to ban all but underground nuclear tests.

Khrushchev said he would like to see the agreement include a ban on underground explosions, but implied such a pact may not

PAID \$20,000

Drummond admitted during the trial, which started July 8, that he got between \$20,000 and \$24,000 from Soviet agents over several years. He claimed that the material he sold them was not classified and was harmless.

SECOND TRIAL

It was the Negro yeoman's second trial on the charges. The first trial ended in a hung jury.

The two women, one of the latter a Negro—deliberated 11 hours and 40 minutes before bringing in its verdict on the first count of the two-count indictment.

Murphy declared a mistrial on the second count, which charged Drummond with actually committing espionage acts at the time of his arrest last Sept. 28 in Larchmont, N.Y. The jury reported that

PREXY CHECKS COLLEGE ROTC GROUP AT GAP

Dr. Carl A. Hanson, president of Gettysburg College, accompanied by Ramsay W. Jones Jr., dean of men, were among more than 80 educators who made a two-day tour this week of the 1963 summer camp currently underway at Indiantown Gap military reservation near Annapolis.

The tour was arranged in order to show college authorities, first hand, the progress of training of more than 3,000 ROTC cadets hailing from 64 colleges and universities.

Gettysburg College is represented by a contingent of 34 advanced cadets at the summer camp. All cadets at camp are either Juniors or Seniors and must attend the summer encampment in order to meet the requirements for a commission in either the Regular Army or Army Reserve.

BRASS HOSTS VISIT

Hosts for the visit of the school dignitaries were Major General Van H. Bond, commanding general, XXI U. S. Army Corps and camp commander, and Colonel N. G. Bassitt, professor of military science at Bucknell University, Lewisburg, deputy camp commander. Escort officer for Dr. Hanson and Dean Jones during the visit was Lt. Col. John H. Eddy, professor of military science at Gettysburg College.

The camp is conducted by ROTC advisory staffs at the schools.

Dr. Hanson and Dean Jones appeared favorably impressed with the activities at camp. They were given full opportunity to watch closely the 34 cadets from Gettysburg as they rotated in command positions during squad and platoon exercises and in a field training exercise at camp.

Will Inspect School Buses

With the opening of schools only about six weeks away, the office of the county superintendent of schools, M. Francis Coulson, today announced a schedule for the inspection of about 100 school buses used in the county to haul public school children.

The inspections will be held at six centers on three dates in early August and will be conducted by state policemen under the direction of Sgt. David K. James of the Gettysburg substation.

The schedule follows: Monday, August 5, from 8 a.m. until 11:30 a.m. at Gettysburg High School and on the same date at the Littlestown High School from 1 to 4 p.m.

On Tuesday, August 6, an inspection session will be held at the Biglerville High School from 8 to 11:30 a.m. and at Bermudian Springs High School, near York Springs, from 1 to 4 p.m.

The schedule for Wednesday, August 7, will find the police inspectors at New Oxford High School from 8 to 11:30 a.m. and at the Fairfield High School from 1 to 4 p.m. for the buses in the Fairfield joint district and for those of Franklin Twp.

The county superintendent's office also has announced plans for a school bus drivers' institute to be held Tuesday, August 13, at the Bermudian Springs High School from 8 a.m. until 4 p.m.

THOROUGH CHECKS

Prospective bus drivers have been furnished with a form to be completed by their physician with one copy to be filed with the school system in which he is employed and the other to be retained by the driver and carried with him at all times while operating the bus.

The school bus inspection will check scores of items on the buses including cleanliness, condition of tires, chains, supplies and other equipment.

Convict Navy Yeoman Of Red Espionage Conspiracy

NEW YORK (AP) — Navy Yeoman Nelson C. Drummond has been convicted by a federal jury of conspiracy to commit espionage for the Soviet Union.

The stocky, moustached Drummond, 34, his wife by his side, blinked Friday night as the verdict was announced but showed no other outward emotion.

The maximum penalty on the conviction is death. Judge Thomas C. Murphy set Aug. 15 for sentencing.

Drummond admitted during the trial, which started July 8, that he got between \$20,000 and \$24,000 from Soviet agents over several years. He claimed that the material he sold them was not classified and was harmless.

Drummond, a native of Baltimore, served 16 years in the Navy. His basic salary was \$120.95 a month. At the same time he owned a bar and grill in Newport, R.I., where he was stationed.

Drummond was arrested outside a Larchmont diner, FBI agents said he was in the act of passing information to two secretaries of the Soviet United Nations mission. The pair were recalled from this country a few days later.

Cancel Events Due To Weather

The Gettysburg Youth Center's fund drive, which was originally scheduled for today, was cancelled this morning due to the inclement weather. No future date has been set.

Also cancelled was today's scheduled splash party. There will be a dance at the center this evening from 7:30 to 11 o'clock featuring the Premiers from Camp Hill.

BIG AUDIENCE IS READY FOR ECLIPSE SHOW

By ALTON BLAKESLEE

Associated Press Science Writer
NEW YORK (AP) — Scientists and children, and people of all occupations and ages, joined in common celestial cause this morning—hoping for clear skies to see an eclipse of the sun.

The rendezvous of moon and sun will be visible during afternoon hours throughout the continental United States, but with the moon covering only part of the glowing disc.

Only in a 69-mile-wide swath through Alaska and Maine will the eclipse be total, with day turning to night and stars popping out, with comets possibly becoming visible in their flirtations with the sun.

ARRAY OF INSTRUMENTS
There, with an array of carefully tuned instruments, hundreds of astronomers and other scientists waited around for the rare opportunity to analyze the sun's pearly halo or corona, its temperatures and changing structure, the bending of starlight passing close to the sun, the airglow, and other phenomena.

Racing eastward in airplanes with the moon's swift shadow, American and Canadian scientists will extend their time in the total eclipse by up to 44 seconds. Aground, the eclipse will be total for about 100 seconds in Alaska to about one minute in Maine.

Rocket scientists will be busy, too, firing instrumented rockets from Canadian and U.S. launching sites to measure changes in the ionosphere, the electrified layer high in the earth's atmosphere and for special observations at great height of the sun's spectrum when the sun first is obscured and then cleared.

RADIO SIGNALS
Radio astronomers will bounce radio signals off the moon, and by the behavior of the returning echoes trace changes in the ionosphere as night comes suddenly with the eclipse.

The eclipse begins in Japan at dawn, and the path of totality then sweeps about 10,000 miles in 2 and 3/4 hours. It zips across the Pacific to touch Alaska late in the morning, Alaska time, then across Canada and into Maine at about 4:45 p.m., EST.

Maine expected a heavy influx of visitors, hoping to see the sun-light cut to one-millionth of its normal intensity, and such phenomena as Bailey's Beads, the last flashes of the sun shining through valleys and gorges on the moon's rim, and—when the sun is totally covered—possibly the licking tongues of great outbursts of incandescent gases—the solar prominences.

For everyone outside the lucky zone, it will still be an interesting show, with the moon gradually blocking part of the sun's face up to some point short of total, then moving clear. Skies will dim a bit where the eclipse is great enough.

WILL INSPECT

BOMB DROPS ON 'FRISCO STREET

SAN FRANCISCO (AP) — A Navy attack bomber dropped a bomb by mistake on crowded, downtown Market Street Friday during the noon rush to lunch.

The pale blue bomb was a practice one. The gunpowder in it didn't explode. And it hit nobody. But it caused plenty of excitement.

"I used to fly a bomber in Italy," said Policeman Norman Ronneberg.

"I never expected to get bombed in the streets of San Francisco."

"It looked like a shotgun had blown a three-inch hole through my office window," said Bob Caylor of Menlo Park, an executive on the seventh floor of the eight-story, glass-walled IBM Building.

The 25-pound bomb came loose as Lt. R. A. Kiner of Anaheim, Calif., headed his A4A Skyhawk toward a landing at Alameda Naval Air Station after a practice bombing run over California's Central Valley.

RACISTS WARN OF NEW ACTION

CAMBRIDGE, Md. (AP)—Integrationist leaders, accused by Gov. J. Millard Tawes of hindering negotiations aimed at ending strife in Cambridge, have threatened to resume demonstrations tonight.

Apparently only the arrival of a racial relations committee of the Maryland Bar Association could forestall a demonstration—which is forbidden under modified martial law, enforced by National Guard troops.

The attorneys, drawn almost unwillingly into the dispute as mediators, aren't likely to move that quickly.

"The earliest we would meet would be Monday," said William J. McWilliams, the committee chairman, who said the next regular meeting is set for Wednesday in Baltimore.

Fourteen persons were arrested during a demonstration last Tuesday. Further marches were called off when State Atty. Gen. Thomas B. Finan announced that the bar association committee would be asked to mediate the dispute.

STORMS STRIKE LAKE REGIONS, RELIEVE HEAT

By THE ASSOCIATED PRESS

Storms abated across most areas in the Eastern half of the nation today after Friday night's severe thunderstorms and tornado winds in many areas.

Violent weather, with heavy rain, hail and strong winds, hit northeastern Illinois, southern Lake Michigan, northern Indiana and southwest Wisconsin. Tornado winds struck Antioch, Ill., near the Wisconsin line, and in Niles, a northwest suburb of Chicago.

The severe thunderstorms set up a seiche, a sudden rise in the level of Lake Michigan, along the east shore. The Coast Guard at Holland, Mich., reported a rise of 6 to 10 feet as the seiche moved northward along the shore.

DIVERT TRAFFIC

Hundreds of policemen were posted along the lake front in Chicago and traffic was diverted off Lake Shore Drive, Beaches, harbors, piers and docks were evacuated. Some 2,000 persons in McCormick Place, the exposition center on the lakefront, were ordered by police to leave the building.

The Weather Bureau reported a rise in the lake level of 6.4 feet recorded at the Coast Guard station in Waukegan, about 40 miles north of Chicago, and an unofficial rise of 2 to 6 feet along the Chicago lakefront. However, no injuries were reported.

A seiche is produced by unstable air, thunderstorms and sudden rises and falls in barometric pressure. Eight persons drowned on June 26, 1964, as they were fishing in Chicago in a similar lakefront phenomenon.

MAN KILLED

Thunderstorms also rumbled across the upper Ohio Valley states and into the North Atlantic seaboard and across the hot and humid Southeast. The storms continued during the early morning in sections of the lower Great Lakes Region and Ohio Valley.

One man was killed by electric shock from a 2,200-volt power line that fell on his car and set it on fire during a violent thunderstorm in Ithaca, N.Y.

Three persons were killed by lightning in Indiana.

Temperatures dropped in most of the storm-swept Midwest areas.

News Briefs

HARRISBURG (AP)—Holiday Construction, Inc., Hollidaysburg, was awarded a \$6,744 contract by the General State Authority Friday for repairs to the athletic field at Mansfield State College Tioga County.

The GSA said a flooded condition caused by collapse of a drainage line and heavy surface drainage over an embankment has resulted in washouts and depressed areas in the playing field and general damage to seeded areas and the cinder track.

HARRISBURG (AP) — Aug. 21 was set Friday by the GSA as the bid date for construction work at Shamokin State General Hospital in Northumberland.

The project includes an addition to the laundry, a maintenance shop and garage building, installation of an incinerator and improvements to the fire alarm system. The GSA has allocated \$335,000 for the work.

ALLENTOWN, Pa. (AP) — Victor L. Ronci, director of development, Bell Telephone Laboratories at the Western Electric plant here was killed Friday when his small, foreign sports convertible crashed on a two-lane Macadam road near his Zionsville R. 1 home in rural Lehigh County.

PHILADELPHIA (AP) — The City Finance Department has started paying more than \$16,000 in back salaries to the staff of W. Wilson White, prosecutor of a special grand jury pool of city hall that was nullified by the courts last year. Clerks and staff lawyers are sharing in the payments started Friday. But under the terms of a City Council ordinance neither White nor his assistant, F. Hastings Griffin, will get a penny.

DRIVER CHARGED

Rudolph N. Rutledge, Charleston S. C., was arrested Friday night by state police for driving without glasses when they are required by his operator's permit. In default of fine and costs he was placed in the county jail by Justice of the Peace Robert P. Snyder. This morning the fine and costs were paid by his employer and he was released.

Sheriff Dawson Miller returned Friday night from Williamsport where he attended the state Sheriffs' Association convention.

Set Hearing Date For License Case

Joe E. Brown, Gettysburg R. 4, has petitioned the Adams County court to permit an appeal from the state's suspension of his driver's license for one year.

According to the petition filed by Attorney Donald G. Oyler for Brown, the suspension is based upon his backing a truck for a few feet to permit it to be towed during a period when his license was suspended. He alleges that the state's action was "unreasonable" because of the "minor technical" nature of the charge against Brown.

The court set September 9 at 10 a.m. as the time for a hearing on the matter and lifted the suspension until after the hearing.

Sheriff Dawson Miller returned Friday night from Williamsport where he attended the state Sheriffs' Association convention.

DEATH

Today In Washington

By THE ASSOCIATED PRESS
WASHINGTON (AP) — In the news from Washington:

Fate unknown: The American Telephone & Telegraph Co. is trying to find out what happened to its Telstar II communications satellite, which went silent Wednesday.

But an AT&T spokesman scoffed Friday at a rumor here that the Russians had silenced Telstar from telemetry stations.

The satellite stopped sending in a pass between the Johannes-burg, South Africa, tracking station and the Woomera, Australia, station, which it passed eight minutes later. The command center at Andover, Me., was unable to reactivate it.

Labor-racial: An AFL-CIO spokesman has discounted proposals from two private organizations for a campaign to break down racial barriers in trade unions.

The proposals, sent to union leaders around the country, came from the Potomac Institute and the National Labor Service of the American Jewish Committee.

The spokesman said he thought it was a well-meaning attempt but "we can do the job without advice from outside."

At the heart of the proposals was creation of a task force of AFL-CIO officers to start a crash program for dealing with all aspects of civil rights.

Missing grains: Agriculture Department officials say some U.S. exporters may have to answer legally for the diversion of 24 million tons of grain shipped to Europe, even though this country suffered no direct loss and there is no evidence implicating American firms.

Agriculture Department attorney George Cooper told the House Agriculture Committee that the exporters who shipped the U.S. grain under a government barter program may be liable for damages if it can be proved that the grain failed to reach its intended destination in Austria.

Lester P. Condon, Agriculture Department inspector general, told the committee most of the diverted grain remained in West Germany instead of being shipped to Austria as intended, and that some Austrian exporters acted as fronts for West Germans who actually bought the grain.

Congress Readies For Rail Proposals

WASHINGTON (AP) — Congress is tooling up to move promptly on President Kennedy's recommendations to avert a nationwide railroad strike but few members think it can act in a week.

Congressional committee staffs have done considerable research and hearings are expected to start in both branches within a day or so after Kennedy sends up his proposals on Monday.

Legislators said the length of time needed to pass a law will depend on the depth of the President's recommendations.

Sen. Lister Hill, D-Ala., chairman of the Senate Labor Committee, said it "would be moving mighty fast" to get the bill through in one week before the July 29 deadline.

Two Policemen Are Killed In Crash

HARRISBURG (AP)—Two rookie city policemen and the young driver of an allegedly stolen car were killed early today after a chase in the north section of the city.

Authorities identified the dead policemen as Joseph S. O'Sura, 23, and Barry P. Karper, 24, both of Harrisburg.

The driver of the car that was being chased was identified as Donald Chester Mease, 21, also of Harrisburg.

The accident occurred about 2:30 a.m. about one mile from the Susquehanna river.

Firemen Will Compete Sunday

The Mount Holly Springs Fire Company, which last year was champion in the annual competition between fire companies at Williams Grove Park, will seek to retain its title Sunday afternoon when the firefighters from the West Shore and Carlisle area, as guests of the Williams Grove Fire Co., compete again in hose laying and pumping operations. The program starts at noon.

While last year Mt. Holly's entry included a number of firemen who are members of both

BO BELINSKY JOINS HAWAII 55 DAYS LATE

By ROBERT MYERS

HONOLULU (AP)—Playboy-pitcher Bo Belinsky, a big smile on his face and a pool cue in his left hand, arrived in Honolulu Friday, 55 days and four hours late to join the Hawaii Islanders of the Pacific Coast League.

He went directly from International Airport to a nearby night club to see an old friend, singer Bill Daniels.

Belinsky was optioned to the minor leagues by the Los Angeles Angels May 25, but he balked at reporting until this week. He hasn't pitched a baseball in more than a month and a half and said it will take him 10 days to get back in shape.

JOKES WITH NEWSMEN

The 26-year-old southpaw joked with newsmen at the airport. He was told by Islander pitcher Tom Morgan, an ex-Angel himself, that there would have been a crowd to meet him but Honolulu's newspapers were on strike.

"Yeah, that's why I came," he said.

Explaining the pool cue, Belinsky said, "I understand there are a lot of players in the Islands. I'm a player too—of pool."

OVERNIGHT FAME

Belinsky, who achieved overnight fame last year by pitching a no-hitter against Baltimore, was due in Honolulu Friday morning. He missed the plane in Los Angeles.

"Like, 9 a.m. is too early, man," the wise-cracking pitcher said in explanation. The plane he caught left the West Coast at 1 p.m. PDT.

Belinsky refused to report to Hawaii in May and was placed on the disqualified list. This cut him off the payroll, and he will stay off until he pitches again. It has been estimated the two-month layoff will cost him \$5,000.

OAKLAND EYES BB FRANCHISE

By JOE REICHLER

Associated Press Sports Writer
NEW YORK (AP)—Charles O. Finley, owner of the Kansas City Athletics, acknowledged today he received a proposal to move his club to Oakland, Calif., but said he was uncertain whether he would seek permission from the other American League club owners to move.

"I haven't gotten to that stage," Finley told The Associated Press in a long-distance telephone conversation from his home in La Porte, Ind. "I just don't know what I'll do."

"If I make the request, I may be turned down. I may get nine votes against me. Then again, the vote may be 10 to 0 in favor."

GOOD FRANCHISE

"I know this. If and when the American League puts a club in Oakland, it will be one of the greatest franchises in the country. The people there are very much interested in major league ball. And they are working very hard in an effort to bring a major league club to Oakland."

"They are not interested only in Kansas City. They would take any big league club they could get."

DICK HART IS HANGING ON TO 3-STROKE LEAD

By DON WEISS

Associated Press Sports Writer
DALLAS (AP)—Dick Hart, a steady young man with plenty of heart, takes the same three-stroke lead he had after one round into the third round of the Professional Golfers Association championship today. The question is whether he can hang on for two more days.

The feeling is growing that the answer may be "Yes."

"Don't write off this boy," his playing partners during the first 36 holes, Bob Keller and Dick Turner, said. "He doesn't shake easy. He's quite a player."

EXPECTANT DAD

This 27-year-old assistant club professional from Hinsdale, Ill., is ahead of par despite the double extreme pressure of a demanding, heat-blistered golf course and the anticipation that his wife, Joyce, back in Illinois could present him with his second child any minute.

"I'm glad it's over," Hart said after firing an unspectacular but impressive 72 Friday that enabled him to maintain his lead over the world's greatest professionals with a 36-hole total of 138.

While National Open champion Julius Boros, Masters champion Jack Nicklaus and the likes of Tony Lema, Doug Ford and Bruce Crampton fired and fell back, Hart calmly drummed a one-over-par round at the 7,046-yard, par 36-35-71 Dallas Athletic Club course with 15 pars, one birdie and two bogies.

WELL IN CONTROL

It was good enough to keep him well in control of the pace—three shots in front of Boros, Lema and club pro Shelley Mayfield, four on Nicklaus, Ford and 42-year-old Manuel de la Torre, five up on a foursome of Gene Littler, Cramp-ton, Bill Johnston and Doug Sanders and a whopping nine shots ahead of golf's glamour boy.

It took a score of 151 or better for the two rounds to survive the cut to the low 75 players and ties for the third round today and the fourth round Sunday—portions of which will be televised nationally (CBS).

Major League Stars

BATTING — Tommy Harper, Reds, drove in all the Cincinnati runs in the Reds' 4-2 victory over San Francisco that tied the Reds for fourth place in the National League.

PITCHING — Don Drysdale, Dodgers, scattered six hits, struck out 11 and registered his fifth victory in four decisions against the Milwaukee Braves, 4-2.

2 PROBES INTO SCHOOL PREXY

HARRISBURG (AP)—The state has conducted at least two investigations into the administration of Dr. Lewis E. Rathgeber, president of Mansfield State College, it was learned Friday.

The second investigation, this one by the Justice Department, came to light when members of the college's board of trustees met with state School Superintendent Charles H. Boehm for 90 minutes.

Robert O. West, the department's chief investigator, gave the conferees what he described as an informal report on his findings. However, he declined to disclose the nature of his report.

Previously, the Department of Public Instruction had looked into Rathgeber's rule at Mansfield and accused him of lax administration, too-frequent absences and harsh treatment of students.

No one would comment specifically on Friday's gathering.

Leading Tourney With Ailing Back

By HAROLD HARRISON

CINCINNATI (AP)—Maybe it pays off to have ailments when you play in the Women's National Open Golf Tournament.

Leading the field into today's final 36 holes of the \$9,000 tournament is Mary Mills, a 23-year-old blonde with a back ailment which she says bothers her swing and which has limited her competition this year to eight tournaments.

Her closest competitor is Louise Suggs, the veteran pro from Del-ray Beach, Fla., who has been out of action for a full year because of ill health.

Miss Mills, who seems very nonchalant about the whole thing, tied the Kenwood Country Club course record Friday with a 3-under-par 70 for a 36-hole total of 141, five under par.

pany level. They ate in the field with the cadets and were able to question them at length about the training and their reactions to it. Two Gettysburg cadets who completed their academic requirements this past spring are expected to receive their commissions at ceremonies here on July 25.

ARE IMPRESSED

Prior to leaving the ROTC camp, Dr. Hanson and Dean Jones said: "We are favorably impressed by what we have seen. The training is excellent. There is no doubt that it is rugged and we certainly give our Gettysburg cadets all the credit in the world for doing a fine job and justifying our faith in them. From talks with other school officials in the group we are sure that this feeling is shared by all of the visitors."

In addition to a busy daytime schedule in the field, including lunch with the cadets both days, the school dignitaries spent one evening with their contingents.

The tour ended officially Friday at noon. The camp ends on July 26.

VFW AUXILIARY PLANS EVENTS

A number of future events were planned and announced at the July meeting of the Ladies' Auxiliary of Mason and Dixon Memorial Post 6954, Veterans of Foreign Wars, held Thursday evening at the post home, W. King St.

The unit will have a picnic for members and their families on Thursday, August 15, at 6:30 p.m. at the Earl J. Weaver cottage, near East Berlin. Each family will take a covered dish and table service. Meat and rolls will be furnished. This will replace the August business meeting.

The local auxiliary will be hostess for a membership conference on Sunday, September 15. Post members are also invited to attend. The unit and post has been asked to attend a picnic for the Scotland School children on Saturday, August 17, at 2 p.m. at Willow Hill Park. Each member should take a picnic lunch for her family and one Scotland School boy. The quarterly meeting of the 21st District will be held in September in Red Lion.

Miss Helen Jacobs gave a resume of proceedings at the department convention held recently in Harrisburg. At the convention the local auxiliary received a cash award for having a complete and outstanding report in the department, for sponsoring the blood typing program in the community. It was decided to use the cash award to purchase a savings bond.

Mrs. Grace Rose, president, presided and heard reports from Miss Jacobs, treasurer, and Ms. Martha Kuhn, trustee. Mrs. Larue Gosnell will assist in making salted peanuts on July 25 and Mrs. Otis Weaver will assist on August 1. At the conclusion of business a hobo lunch was enjoyed.

MRS. DELLA N. BUTT

ABBOTTSTOWN—The 4-H Club met Tuesday at the home of Mrs. George Rightmire to continue their study of baking, gardening and sewing. The next meeting will be held Tuesday afternoon at the home of Jane Alwine.

Mrs. George Dolheim has been admitted to Memorial Osteopathic Hospital, York, as a patient.

Sherry Gebhart suffered a broken arm recently while playing at her home on W. King St.

Mrs. Rosie Jacobs and Mrs. Alice Cleava recently entertained Mr. and Mrs. Guyton Wierman, Norristown; Mr. and Mrs. Herman Wolf, Harrisburg; and Mrs. Blanche Both, Spring Grove.

Convict Two Youths of Armed Robbery

WOODLAND, Calif. (AP)—It took a jury of eight women and four men about an hour to find two young men from Sayre, Pa., guilty of armed robbery of a Davis, Calif., service station.

The jury convicted Howard Billy Green and Frank Leo Fitch, each 23, Friday. Both had pleaded innocent to charges of stealing \$31 at gunpoint from station attendant John W. Rutchy and leading police on a three-county chase before being captured.

Fitch testified in Yolo County Superior Court that Green forced him at gunpoint to participate in the robbery. Rutchy testified, however, that Green's gun never pointed at anyone but himself.

After the verdict Green withdrew a second plea of innocent by reason of insanity.

VIENNA, Austria (AP)—Former Vice President Richard M. Nixon arrived from Budapest and recommended more people-to-people contacts between Americans and East Europeans.

Nixon, who is on a private tour of Europe with his family that included a three-day visit to Hungary, said people in Eastern European countries are eager for such contact.

The Nixons will leave Tuesday for Berlin.

by the Rev. Fr. Richard F. Hartnett in a double-ring ceremony.

The altar was decorated with pink and white carnations. Mrs. Bernard Henry presided at the organ.

Given in marriage by her father, the bride wore a floor-length white gown of pure silk organza, fashioned with a scoop neckline and short sleeves. The controlled skirt featured a bustle back topped with a bow. The hemline of the skirt was accented with a deep band of floral embroidery. Her veil of pure silk illusion fell from a cluster of lilies of the valley and she carried a frontpiece bouquet of stephanotis, French carnations and ivy, centered with a corsage of pink sweetheart roses.

RECEPTION FOLLOWS

Her maid of honor, Miss Charlotte Sanders, McSherrystown, wore a floor-length gown of deep pink silk organza, fashioned with a scoop neckline and controlled skirt and featured a detachable cape collar. She wore a matching headpiece and carried a frontpiece bouquet of white mums and pink carnations.

Wayne Hawthorne, Glenshaw, Pa., served as best man.

Following the ceremony a luncheon was held at the Victory Restaurant after which the couple left on a wedding trip to an unannounced destination. For traveling the bride wore a blue silk sheath dress with white accessories. Upon their return they will reside at 840 Columbia Ave., Lancaster.

The bride graduated from De-lone Catholic High School in the class of 1959 and from St. Joseph Hospital School of Nursing, Lancaster, in the class of 1962. The groom graduated from Shaler High School in the class of 1957 and from Bucknell University in the class of 1962. He is employed as a project engineer for the Armstrong Cork Company, Lancaster.

EMMITSBURG ELIMINATED IN LL PLAY

The pitching of Pete Cooper and hitting of both Cooper and Paul Lindsey paced the Frederick American Little League All-Stars to a thrilling 3-0 win over the Emmitsburg All-Stars Friday evening at Emmitsburg.

The game marked the first round of the National Little League eliminations. The setback eliminates Emmitsburg from future play while Frederick earns the right to enter the second round.

Cooper sailed through the game allowing but two hits, walking three and striking out 12 batters. Tom Topper belted a double in the sixth inning for the Emmitsburg Stars and Adelsberger lashed a single in the fifth to account for the loser's two safeties.

Emmitsburg looked as if it might get something started in the last frame when Topper led off with his double and, after the next man struck out, Mike McKenna drilled a line drive, but second baseman Dave Working made a spectacular catch and turned it into a double play to end the game.

Frederick tallied its first run in the bottom of the first inning when Lindsey uncorked a long home run after the first two men had gone out. The winners came up with their last two scores in the third. Lindsey led off with a double followed by Cooper's second two-bagger of the day. After Povel and Forney drew walks, Cooper came home with the second run on a passed ball.

Cooper and Lindsey each had two hits to account for the four safeties given up by Manning.

Realizing a package deal would counter rough sledding, he opened a new way to negotiations by saying: "We think that the question of the form of the non-aggression pact can be solved without any great difficulties to the mutual satisfaction of both sides. The most important thing is not the form, but the content."

"The most important thing is for each side to display a willingness to ease tensions and to liquidate the state of the cold war."

Spanish Bantam Wins Title Friday

MADRID (AP)—Mimoun Ben Ali of Spain won the European bantamweight boxing title Friday night with a unanimous 15-round decision over defending champion Piero Rollo.

Ali, a 3-1 favorite, weighed 116 pounds, one less than the Italian Rollo.

There were no knockdowns, but the 37-year-old Rollo had to clinch in the ninth to keep from sinking to his knees following a 10-blow series to the head and body.

Ali carried the fight all the way. The two judges had it 11-2-2 and 12-1-2 for the 25-year-old Spaniard while The Associated Press scored for Ali 13-0-2.

Littlestown

LITTLESTOWN — The Senior High Youth Fellowship of Redeemer's United Church of Christ was entertained on Thursday evening on the lawn at the home of the adult counsellors, Mr. and Mrs. Dean W. Bankert, 18 Lumber St. A picnic style supper was served after which group games were played. Robert Owen, Baltimore, a leader for "Young Life," was present and spoke to the group on the subject "The Meaning of True Freedom." The Rev. and Mrs. Glenn Flinchbaugh were in attendance.

The Boy Scouts of Troop 84 will go swimming and canoeing at Natural Dam on Monday evening. They will leave at 6 p.m. from the Community Center.

The Abigail Kammerer Circle of Lutheran Church Women of St. Paul's Church will not meet July 23 as incorrectly announced. The meeting will be held Tuesday, July 30, at 6:30 p.m. in the form of a covered dish supper at the home of Mrs. Mahlon Bucher, near town.

Mr. and Mrs. C. Robert Bowers and children, Robert and Linda, W. King St., have returned home after visiting with relatives in Hawkeye, Iowa. The trip to Iowa was made by train.

Mr. and Mrs. Donald Benner and children, Connie and James, left Wednesday for their home in West Palm Beach, Fla., after a three-week visit with their parents, Mr. and Mrs. Carroll W. Dodder, E. King St., and his mother, Mrs. Mabel Benner, W. King St.

Explorer Post No. 84 will leave from the Community Center on Monday at 6:30 p.m. for Natural Dam. There will be swimming instructions in charge of Stanley F. Frock, post advisor, and canoeing instructions in charge of Lee Krout, associate advisor.

Mr. and Mrs. John D. White Jr., Kentland, Ind., are house guests of their cousins, Mr. and Mrs. Stanley R. Sell, Littlestown R. 2, and are visiting with other relatives and friends in the area.

Doctor To Close Offices Saturday

Dr. William P. McKnight, recently commissioned a captain in the United States Army, will close his offices on Baltimore street Saturday evening preparatory to reporting for duty. The local physician will carry through his professional services for the remainder of the week concluding his medical activities in this community with office hours Saturday evening. On Monday all of his office furnishings will be stored in Gettysburg "for the duration of the war." Dr. McKnight will return to resume the practice of medicine in Gettysburg after the war.

Mrs. McKnight and son will remain in Gettysburg until such a time as arrangements can be made for their residence at or near the camp to which Dr. McKnight will be assigned.

Seminary To Build Home For Professor: Plans for the erection of a professor's residence at a cost of about \$30,000 at the Gettysburg Seminary were adopted by the Building Committee of the seminary's board of directors here Monday.

The new residence plans are linked with the dormitory program at the seminary. When the new home is finished, Dr. and Mrs. Ralph D. Heim will occupy it and their present home beside the Church of the Abiding Promise will become a dormitory to house 5 or 16 students, the committee announced.

The building of the new residence and the alterations at the present Heim residence are expected to involve a total cost of "less than \$50,000," the committee said.

Work will begin on the new residence within the next month. It will be located on Hay St., about opposite Seminary Ave. at the eastern edge of the campus.

L. V. Simpson, 47, Manager For Inductive, Dies: L. Vernon Simpson, 47, production manager for the Inductive Equipment Corporation plant here, died very suddenly this morning at 1 o'clock at his home in Cumberland Twp., R. 2, The Adams County corner, Dr. C. G. Crist, said death was due to coronary occlusion.

Mr. Simpson had been in his usual health Wednesday and had played ball Wednesday evening with the Inductive Equipment team on a college field. He returned home about 9 p.m., retired at 11 o'clock and was stricken about midnight. A doctor was summoned but death followed within an hour.

The birthday party, featuring a cake with candles, is a lovely custom. Old books on national customs trace its origin to Germany and Italy.

In Germany, it was customary to celebrate one's birthday by erecting a fir tree, similar to the Christmas tree set up for Christ's birthday. It was placed in the center of a table covered with a white cloth and decorated with ornamental bonbons, gilded walnuts and almonds and surrounded with presents.

In addition to the gifts, there was a long cake on which was placed candles, the number of which coincided with the number of years the honored person had lived. The candles were lighted and the guest of honor blew them out. The number of puffs necessary to extinguish all the lights represented the number of years that would elapse before he or she would be married.

This cake, not a rich one, was filled with sweetmeats, nuts and fruits. It was called Stollen. The shape resembled the oblong cake used for Christmas festivals, and was intended to look like the Christ child in swaddling clothes.

In Italy, as in many Catholic countries, a person's birthday was celebrated on the day of the death of the saint for whom he was named — thus the origin of

LEARN TO CHOOSE

"Blessed is that man," once wrote Elbert Hubbard, "who has found his work." Thrice blessed, I would say, if he finds that work early in life, so that he may have a long period of happiness and usefulness.

Make no trivial choice. Its expense is too great. There is too much waste attached to it, as well.

Choosing is a matter of angling for the best for a while. But when you have found that best, to which you can put all the energy and enthusiasm of your nature, be happy in it and apply to it every ounce of your being. Never mind the results. They will take care of themselves.

It is pitiful to see the large number of people in this world misusing themselves, wasting their substance in idle days. Their choice merely to exist!

There is more important work to do in this world right now than ever before, and there are not enough sufficient men and women to half do it! The sooner this "forgotten man" business is forgotten, and the sooner men realize there is plenty of work in the world to do, if they will get down to doing it, the sooner we all shall know the kind of happiness that is the glory of a human being and of a nation.

We must choose wisely to do some useful thing, and in every way possible help the other fellow to choose — and then help him to apply that choice. Honest cooperation will settle any dispute or misunderstanding.

But life's greatest task always returns to this matter of choice. What shall I do with what I am? How shall I go about it? Well, start at something! But make that something useful. By applying all the knowledge and experience that you own. The light ahead will grow brighter with each effort.

First learn to choose. Then learn to apply all that is revealed by your choice. Opportunity is forever nosing around for the best and most efficient, the most qualified, the most earnest and determined!

UNIVERSAL BEAUTY
Beauty wanders here and there
Scattering her treasures rare.
Finding many a hidden place
To enrich with tender grace.
Hill and valley, field and lane
Hear the rustling of her train.

Artists paint her now and then,
Sometimes lines which poets pen.
Carry something of her voice,
That the wide world may rejoice.
But her magic is revealed
By the daisy in the field.

Now she lingers by a tree,
Lights a vessel far at sea.
Tints a hill-top, sets the moon
Shimmering on a lake in June.
Spills her lovely tears at dawn
Just to glorify a lawn.

Never place so dim and far
But above it shines a star,
Never man so sordid quite
But finds something of delight,
Something in his world which he
Thrills with happiness to see.

Prelates Attend O'Hara's Requiem

LONDON (AP) — A pontifical requiem mass was held for Archbishop Gerald P. O'Hara, Pennsylvania born apostolic delegate to Britain, at Westminster's Roman Catholic Cathedral Friday. He died Tuesday.

The celebrant was the Most Rev. Francis Grimshaw, archbishop of Birmingham. Valerian Cardinal Gracias, archbishop of Bombay, presided.

Tribute to Archbishop O'Hara's work was paid by the Most Rev. Cyril Cowderby, bishop of Southwark.

Among prelates and priests present were the Roman Catholic archbishops of Cardiff, Edinburgh and Liverpool.

Five absolutions of the coffin brought the service to its close. The body was then returned to the apostolic delegation pending a later transfer to Philadelphia for burial.

Settle Century-old Dispute
With Mexico Over Boundary

EL PASO, Tex. (AP) — With mingled emotions, residents on both sides of the border here learned Thursday that Mexico is going to recover El Paso's stockyards district in settlement of a century-old boundary dispute.

Under an agreement made public by presidents of both countries, the United States is pledged to return the 437-acre Chamizal strip. This is a sliver of land taken from Mexico in a shift of course by the flooding Rio Grande, which divides the two nations elsewhere.

Once a worthless stretch of brush, the Chamizal sector lies between the El Paso business district and the city of Juarez, across the river. Since the stream chose a new route in 1904 the area has acquired 3,750 residents, nearly all of Mexican descent, and 382 buildings.

PACT APPLAUDED

In common with the two heads of state, El Paso leaders applauded the international pact as long overdue in payment of a just claim.

Not all the reaction was favorable. Some Chamizal residents don't want to see their homes cross the border and said they're dubious about obtaining fair compensation.

Tourists who cross the international bridges from El Paso to eat, drink, shop and see the bullfights in Juarez know the Chamizal strip as a largely drab section mingling \$5,000 to \$10,000 homes, shacks, apartments and business structures—office buildings, a public school, a meat packing plant and two stockyards.

NO BIG SURPRISE

There was no great surprise at the Chamizal plans, announced simultaneously by Presidents Kennedy and Lopez Mateos. They first talked about the matter in June of last year when Kennedy went to Mexico.

In addition to restoring 437 acres to Mexico, the settlement calls for rerouting the Rio Grande in a concrete channel to make it the border line again at all points here. This will cost an estimated \$6 million and the two nations will split the cost.

Mexico, for its part, will cede to the United States half of an area named Cordova Island, an untenanted peninsula extending

ROCKY DEFEAT
PREDICTED ON
CIVIL RIGHTS

MIAMI BEACH, Fla. (AP) — The chairman of the National Governors' Conference predicts that Gov. Nelson Rockefeller of New York will be defeated in a bid for a showdown on the civil rights issue during the conference, which opens this weekend.

Albert D. Rossellini, the Democratic governor of Washington, said Thursday that Rockefeller would lead a hot floor fight for a strong statement on civil rights.

"But we'll be ready for anything that comes up," Rossellini said.

LOSERS SUPPORT

Rockefeller, who was considered a front-runner for the 1964 GOP presidential nomination, is believed by many to have lost some support following his remarriage and the gathering strength of the movement backing Sen. Barry Goldwater, R-Ariz.

The New York governor issued a statement Sunday blasting the right wing of the Republican party and insisting that it must take a strong stand on civil rights.

Meanwhile, a Miami Negro said the civil rights issue will be kept in the spotlight with small, but carefully aimed racial demonstrations during the governor's conference.

Albert Moore, head of the Miami Congress of Racial Equality, said that the main target will be two staunch segregationists, Govs. Ross Barnett of Mississippi and George C. Wallace of Alabama.

CATHOLICS AT
SUMMIT PLAN
NEW EDIFICE

A new church destined for Blue Ridge Summit will find the mountains a happy setting for its contemporary design warmed by the hint of an Alpine chalet.

Construction costs are estimated at \$100,000 for St. Rita's Roman Catholic Church to be built at the corner of Monterey and Wyndham Aves.

The Rev. John J. McNulty is pastor of the Fairfield parish which operates a mission church at the Summit. The new St. Rita Church will replace the mission. Designs and specifications of the structure are now in the final stages, according to Frederic A. Nassaux and Associates, Chambersburg engineering and architectural firm in charge.

St. Rita's Church is designed to blend with its mountain surroundings by incorporating modern American architecture with a feeling reminiscent of the Swiss Alps.

The exterior of rubble stone masonry and stained redwood is emphasized by a steeply pitched roof and the slender, final of a 50-foot spire. The tower is capped by a copper roof. Building dimensions are 300 by 300 feet.

WROUGHT-IRON CRUCIFIX

Amber windows of cathedral glass—tinted to absorb heat and reduce glare—complete most of the big expense of glass at the narthex entrance.

Eight-foot doors of aluminum and glass will be flanked by redwood paneling. The paneling will carry an inscription on the left and a carved wood statue of St. Rita on the right.

The feeling of warmth is carried inside the sanctuary by high-pitched ceilings of wood, plaster walls and a simple table-type altar. Over the altar will be suspended a large, hammered wrought-iron crucifix.

START IN FALL

The church will accommodate 250 and another 150 may be seated by opening the walnut folding doors serving as a divider between the church and the multi-purpose room.

Construction is scheduled to begin in the fall, said the architects, aiming toward a spring completion date.

REUTHER ASKS
STRONG CIVIL
RIGHTS STEPS

By CARL P. LUEBSCH
WASHINGTON (AP) — Walter P. Reuther urged Congress Friday to strengthen President Kennedy's civil rights program.

Among other things, he suggested direct payment of damages to persons discriminated against in public facilities.

"Not only the patron but the public-spirited proprietor will benefit from an enforceable public accommodations measure," Reuther told a House Judiciary subcommittee.

FIRST STRONG STEP

Reuther, president of the AFL-CIO United Auto Workers, said the President's proposals provided "a strong first step" towards guaranteeing "all Americans equality in law and equality in fact."

He told the congressmen in his prepared statement:

"Your committee cannot do less than he has asked; we urge it to do more."

OTHER PROPOSALS

Among other proposals which Reuther said the group should add to the President's seven-point civil rights package were:

1. A federal fair employment practices commission;
2. Federal voting registrars "who will make the right to vote an American reality";

BROAD AUTHORIZATION

3. Broad authorization for the attorney general to "protect all constitutional rights of Negroes"; and

4. An immediate start in all school districts on desegregation. The Judiciary subcommittee hearings, which began shortly after Kennedy submitted his program June 19, marked the first congressional action on the civil rights from Friday. The Senate Commerce and Judiciary committees are in recess until next week.

VIGOROUS BACKING

In his vigorous backing of the public accommodations proposal, which would outlaw discrimination in privately owned businesses serving the public, Reuther stressed the need for "a strong bill (that) will let those who open their facilities to everyone, do so with confidence that others will have to do likewise."

"Toward this end, we would urge that the committee consider, in addition to the sanctions now in the bill, providing that anyone who has been wrongfully excluded from a public facility be entitled to recover a flat sum in damages."

"Discrimination in public facilities has been a national disgrace for far too long," Reuther said. "By ending it now, by protecting every human being from Maine to California against the colossal indignity of a refusal of service, the 83rd Congress will only be catching up at long last with the 44th Congress."

That Congress passed a similar law in 1875, but it was declared unconstitutional by the U.S. Supreme Court in 1883.

Laurel Will Hold
24-Day Race Meet

LAUREL, Md. — Trainer Les Joffron has notified Laurel officials that he will bring his strong public stable to Maryland for the 24-day meet at Laurel Race Course, July 29 through August 24.

Joffron's stable is headed by Mrs. George Bendlage's Port of Mecca, recent winner of the Wilmington Handicap at Delaware Park and a \$65,000 purchase as a two-year-old in 1961, after he finished second to Sunrise County in the Juvenile Stakes in New York.

Among the "old guard" of Maryland stables returning to Laurel for the 24-day meet is the one under the care of veteran J. Bowes Bond, consistently a leader at Laurel.

Many of the top stables presently in training in the East will be on hand at this meet. Among them are Elmendorf, C. T. Chenery's Meadow Stable, and those of Bayard Sharp, Mrs. Henry

SENATORS WIN 11TH OF LAST 14 ON FRIDAY

By JOE REICHLER
Associated Press Sports Writer

Sometimes the most improbable things happen in baseball.

Such as the Washington Senators playing the best ball in the American League.

And a minor league failure like Don Lock, who batted under .300 in the International League just last year, breaking up game after game in the big leagues with timely base hits.

Take Friday night.

The Senators, trailing the hard-hitting Twins in Minnesota, 4-1 after seven innings, rallied for four runs in the eighth and broke through again in the 13th to win 6-5. It was the cellar-dwellers' 11th victory in the last 14 games. No other club in the league can match that.

SLAMS HOMER

Lock slashed a two-out single to drive in the winning run.

In the eighth he singled in another run during the uprising against starter Jim Kaat and ace reliever Bill Dailey.

The 26-year-old outfielder, purchased last year despite a .194 batting average and a history of never hitting .300 in six years in the minors, slammed a home run his first time at bat.

That gave him 13 for the season, second high on the club. He leads the Senators in runs batted in with 47.

Kansas City nipped Baltimore 2-1 and Detroit defeated Los Angeles 10-5. Rain forced postponement of games between the Boston Red Sox and White Sox in Chicago, and the Cleveland Indians and Yankees in New York.

A throwing error by Twins shortstop Zoilo Versalles led to Washington's winning run. Ken Retzer, on base because of the error, advanced to second on an infield out and scored on Lock's single to right.

Lefty Claude Osteen, Washington's winning pitcher, held off a Minnesota uprising in the bottom of the 13th to gain his fourth victory in 10 decisions.

With one out, Don Mincher, Earl Battey and Vic Power delivered consecutive singles but Mincher was out trying for third on Battey's hits. Osteen got Wally Post to ground out to end the game.

SCHEDULE CORRECTED

The South Mountain Softball League games for next Tuesday were incorrectly listed on Friday. Instead the following games will be played: Duffy-Mott at Herman's, Victory at Urah, Toland at Local 610, Gardner at Georgetown and Hunters Run at W-L Warehouse.

DODGERS HIKE LEAGUE LEAD; BLAST BRAVES

By JIM HACKLEMAN
Associated Press Sports Writer

Everything is coming up right for the Los Angeles Dodgers. Big Frank Howard puts on a show of muscle when it's needed against Milwaukee. And even fire-balling Don Drysdale beats the Braves for a change.

Howard, carrying an unimpressive .243 batting average but pure murder against the Braves, slugged a pair of homers at Milwaukee Friday night and Drysdale spun a six-hitter in a 4-2 victory, beating the Braves for the first time in four decisions this season.

WIN 21 OF 26

The Dodgers have won three straight—and 21 of 26 since they began their surge four weeks ago—and they own their biggest lead of the year, 7½ games.

Pittsburgh humbled Chicago's second-place Cubs 9-4 with a five-run eighth inning behind run-starved Bob Friend. The St. Louis Cardinals moved to within one percentage point of second, beating Houston 7-2.

Elsewhere in the NL, rookie Tommy Harper batted across all five Cincinnati runs and John Taitouris turned in a strong pitching job as the Reds hung another loss on the staggering San Francisco Giants, 5-2, and Roy Sievers' two-run homer with two out in the last of the ninth inning lifted Philadelphia to a 2-1 victory over the New York Mets and pinned the 14th straight pitching defeat on Roger Craig.

RAPS 2 HOMERS

Howard, Los Angeles' massive right-handed hitting outfielder, has collected eight hits in 31 trips against Milwaukee pitching; six have been homers.

He went after the first pitch by lefty Bob Hendley in the second and fourth innings, rapping each out of the park. That gave Drysdale a 2-0 lead, and the Dodgers made it 4-0 on Ken McMullen's two-run single in the seventh. Milwaukee got its runs off Drysdale in the bottom of the seventh, the first on Hank Aaron's 27th homer. The tall right-hander struck out 11 in boosting his record to 12-10.

Harper tagged Billy Pierce for two-run homers in the first and fifth innings, then capped his big night for Cincinnati with a run-producing single against Jack Fisher in the seventh. Taitouris, won his sixth with a four-hitter.

The defeat was the ninth in 12 games for the defending champion Giants and dropped them into a fourth-place tie with the Reds, nine games off the pace.

Nine runs in the top of the fourth inning enabled the Cardinals to roll to a 13-9 win over the last place Orioles, Friday night on the Little League diamond.

The Cardinals tallied nine times on singles by Nagle, Dearthoff, Shank and Jim Hammett, a triple by Ickes and two walks and three Oriole miscues.

The Orioles started a short rally in the bottom of the fifth when they scored two runs, but lost a pair of runners being cut down at the plate. McClintock uncorked a double with Sites on base and later scored the second run.

McClintock topped the losers' order with a perfect three for three while four players paced the winners with a pair of hits each.

**Colts Will Open
Camp On Sunday**

BALTIMORE — The Baltimore Colts will open their eleventh consecutive training camp at Western Maryland College in Westminster, Md., Sunday when a total of 35 players will report to head coach Don Shula. It will be the latter's first taste of life as a field boss after spending the last three years as the director of Detroit's vaunted defense.

"I'm hopeful," said Shula, "that three days of drills will have these early arrivals in fine shape when the remainder of the squad comes in on Wednesday (July 24). The players that report tomorrow will be given physicals immediately and they'll be exposed to heavy contact work before the others even check in. There are some candidates that we'd like to get a line on as soon as possible. There will probably be the usual number of position adjustments to be made—especially in the line."

Among the second-year performers due to report Sunday is Dave Yohn, linebacker, a former Gettysburg College star.

HERSHEY, Pa. (AP)—Coaches and players of this year's annual Big 33 football game will assemble in Hershey Wednesday to begin training for the Aug. 3 encounter.

The 32 gridders, representing Pennsylvania's finest of the senior class, will meet in a Blue-Gray game in commemoration of the Civil War battle of Gettysburg.

Dale Hall, former Army coach, will direct the Grays. Lefty James, longtime head man at Cornell, will lead the Blues.

WAGER TITLE BOUT WILL END IN FOUR ROUNDS

By BOB MYERS
Associated Press Sports Writer

LAS VEGAS, Nev. (AP)—One of the more unusual betting lines posted in this gaudy gambling capital today was an even-money chance that Monday's Sonny Liston-Floyd Patterson heavy-weight title fight won't last four rounds.

The champion, Liston, in man-to-man betting is about 4-1 to retain the title and there is a suspicion the odds would be wider except that the betting people are trying to lure more Patterson money into the action.

You can get \$5 for \$2 if the fight ends in the first or second rounds. It's 4-1 if it goes five, 12-1 if it goes 10 and 30-1 if it lasts the full 15 rounds.

WEIGH-IN MONDAY

The principals wind up all serious exercises today and head into seclusion until the weigh-in at 11 a.m. PDT Monday at the Convention Center, 8,000-seat site of the national (closed-circuit) television attraction.

Liston will gain some relief from a steady haranguing from challenger Cassius Clay, who, it developed belatedly, got a right hand slap on the cheek two days ago from a fed-up Sonny.

The incident occurred in the casino of Sonny's plush hotel training quarters.

Clay admitted he got slapped and from what Sonny said in his confirmation, it was not exactly play. Nor was there any fight ballyhoo involved. There were no writers nor cameramen around at the time.

Cassius, in fact, has taken the publicity play away from the remote Patterson, who after all, is trying to retain his crown from Liston, not Clay.

"He was running his mouth," Sonny said of Cassius.

Was it a hard slap?
"I didn't have no gauge," Sonny answered.

Cassius reappeared to heckle Liston's workout Friday but by now his material is beginning to pall. It might even reach the level of his poetry.

GETTYSBURG LITTLE LEAGUE

Giving away 10 runs in the first two frames, the Glenn L. Bream team came from behind to capture a 15-11 decision over the Rotary, Friday evening on the Little League diamond. The contest was the last of the season for the Breammen while the Rotary has one outing remaining.

After knotting the count at 11-11, the Breammen went into the fifth inning and quickly scored four runs on three hits and three Rotary errors to put the game on ice.

Tony Strickland, the last of three hurlers, receives the win while Les Lindeman, also the third Rotary pitcher, is charged with the loss.

Dave Wisotzky had a perfect night for the losers as he belted four hits for the same number at bats. Two of his blows went for doubles. Brad Stahle topped the winners' attack with a trio of hits.

**BRITISH RACE
PROBE CHECKS
MORE HORSES**

LONDON (AP)—British racing authorities, already investigating charges that French-owned Derby winner Relko was doped, have called for investigation into similar charges about six other horses.

Among them is Tudor Treasure, who won the Victoria Cup, a big betting race worth nearly \$11,200 dollars, at Ascot May 4. Five-year-old Tudor Treasure, a 100-7 betting chance, won by ½ lengths.

Mrs. Eric Cousins, wife of the trainer, said:

"Tudor Treasure is one of seven horses who have been tested at random for doping. I know that another was Relko, the Derby winner."

Relko, rated the best 3-year-old in Europe, stormed home by six lengths to win the \$98,946 Epsom Derby May 29.

The Jockey Club, the ruling authority of British racing, has called for an enquiry in London next Wednesday. Relko's French trainer, Francois Mathet, has agreed to attend.

Scottish businessman Ian Murray, owner of Tudor Treasure, said he will attend along with his trainer, Eric Cousins, and several stable lads who handled his horse.

"I was flabbergasted when I heard that Tudor Treasure had been doped," said Murray Friday night.

FIRST TOTAL SUN ECLIPSE HERE SINCE '32

WASHINGTON (AP) — For the first time since 1932, North Americans will have an opportunity today to view a total eclipse of the sun.

But unless you have proper equipment, scientists say, the best and safest way to watch will be on television. Powerful infrared rays could cause permanent eye damage to those who look at the sun directly.

The spectacular scientific show will be brief, from the start of the eclipse over Japan at dawn to 4:44 p.m. Eastern Standard Time on the Maine coast, about three hours later. And only in a 60-mile wide strip across Alaska, Canada and Maine will the eclipse be total.

TWO SAFE WAYS

Most Americans will only be able to see a partial eclipse. San Franciscans will see 34 per cent, New Yorkers 88.

The eclipse is caused by the moon passing between the sun and the earth, thus blocking the brilliant solar rays.

Besides television, another safe way to watch is to let the sun's image be projected through a hole in a piece of cardboard onto white paper. The viewer keeps his back to the sun.

Scientists will be busy studying the eclipse and its effects.

TO TRAIL SHADOW

One group including astronaut Navy Lt. Cmdr. Malcolm Scott Carpenter, plans to trail the eclipse's shadow by jet plane as it races across Canada at 1,800 miles an hour.

At least two artificial earth satellites will play a role in the study.

Pictures of the cloud cover are to be taken from the United States' Tiros VI weather satellite, while radio waves will be scrutinized by the Canadian-built Alouette satellite.

Bill Nelson, quarterback from Southern California who aided the West in a 22-21 victory in the All-American game at Buffalo this summer, is with the Pittsburgh Steelers.

STEEL FIRMS PLAN CUTBACK

PITTSBURGH (AP) — Some 1,800 steelworkers in the Pittsburgh area will be affected by cutbacks ordered by U.S. Steel Corp. and Bethlehem Steel Co.

U.S. Steel, the nation's largest steel producer, said Friday it will suspend iron and steel-making at its Edgar Thomson works in nearby North Braddock, causing layoffs to some 1,200 employees.

At the same time, Bethlehem Steel announced plans to shut down its structural steel fabrication plant at nearby Rankin. About 600 workers will be affected, a company spokesman said.

Both announcements came in the wake of industry-wide curtailment of production following last month's revised labor contract between major producers and United Steelworkers.

Operations at the Edgar Thomson Works are slated to be suspended this week-end. U.S. Steel recently furloughed some 1,000 employees at this same plant and the Homestead works.

Bethlehem said it plans to consolidate the Rankin operations with its Leetsdale works in a series of steps scheduled to be completed late this year.

3 REPEAT IN DRUM CONTEST

PITTSBURGH (AP) — Three drum and bugle groups have repeated as winners in State American Legion competition.

Performing before a rain-drenched audience in nearby Munhall Friday night, the Musketeers of Archer-Espler Post, Philadelphia, won first place in Class A. The Reading Buccaneers and the Pittsburgh Rockets were second and third, respectively.

The West Newton-Irwin Esquires won again in Class B. They were followed by the Milton Key-stoners and the Latrobe Colonials. In Class D, the Vasella Musketeers of Philadelphia repeated as champions. They beat out Bracken Corps of Bristol and the Delaware County Rangers.

In color guard competition, Houston Post of Philadelphia won the senior prize and the Delaware County Rangers the junior title.

MONKS REJECT DIEM'S PLEA TO NEGOTIATE

By MALCOLM W. BROWNE
SAIGON, Viet Nam (AP) — Buddhist leaders in blockaded pagodas rejected any immediate truce Friday with the South Vietnamese government and charged that lesser officials have sabotaged President Ngo Dinh Diem's conciliation efforts.

The chief monks said they would "prefer to die rather than let our belief in government good faith be destroyed by reality once more."

The Buddhist note to the president, a Roman Catholic, came in response to a broadcast plea Diem made Thursday night for a settlement.

FEAR ARREST

As Diem spoke, at least three pagodas were under police blockade. The blockades were lifted for half an hour this morning, but put back when the Buddhists wouldn't leave. They said they feared arrest.

About 400 monks, nuns and lay followers have been holed up in a tiny pagoda called GIACH MINH since Wednesday.

About 1,000 Buddhist clergymen and followers, mostly old women and young girls, were attacked by police with clubs and rifle butts Wednesday in front of the pagoda when they tried to form a demonstration procession.

SHORT OF FOOD

Inmates of the pagoda are nearly out of food, a monk reported, and are living on rice and salt.

There were no demonstrations or violence today as police kept a sharp eye out for street gatherings.

The high priests said they would only negotiate with the government if certain conditions are met.

They demanded that the government identify publicly and punish the "persons responsible for bloodshed" in actions against Buddhists in Saigon and Hue.

The priests also called for the release of several hundred Buddhist prisoners and permission for Saigon newspapers to print a request for all families and pagodas with members missing and believed arrested to report the names to the priests.

COUNCIL URGES EDUCATION TO SAFE FARMING

By LELAND H. BULL

Education is a slow, tedious process. Right now special attention is being directed in an area where great good could result if this process were speeded up. That area is safety.

Soon we'll be observing Farm and Home Safety Week — July 21 to 27 — as the climax to a campaign aimed at accident prevention. This is a national program, and in this state it is being conducted by the Pennsylvania Rural Safety Council.

Most of the council's work comes under the heading of education. This is doubly appropriate since safety logically is a matter of education, and also because the council's activities are coordinated by the Farm and Safety Division of the commonwealth's Department of Public Instruction.

Education is a key approach to reduction of farm work accidents. We need to inform and motivate farm residents and farm employees to recognize, eliminate and avoid hazardous conditions and follow safe practices.

STATISTICS GRIM

The staggering human and economic toll claimed by accidents jolts us almost into disbelief. Little satisfaction derives from a grim recital of the fact that in one year over 11,000 farm people lose their lives in accidents, or that 3,300 of these deaths result directly from farm work and that another 2,600 die from accidents in farm homes.

Ways must be found to prevent these mass scale tragedies. Association with the Pennsylvania Rural Safety Council as its 1963 farm and home safety chairman has confirmed my belief in the need for a stepped up educational program that stresses accident prevention.

This, of course, is easier said than done, especially in view of the many fine educational safety programs already under way.

Farm work, by its very nature, has a high built-in potential for accidents. Weather or other causes can develop real compulsion for working long hours, and for days on end. Fatigues follows, and accidents happen. They quickly wipe out any gains derived from taking unwarranted chances.

As under similar circumstances in other industry, the need here seems to be one of constant reminder, and perhaps also in personal involvement in a positive approach to accident prevention. If rural folks could organize by communities for that purpose, perhaps they could motivate in each other a quickened sense for safety and a new pride in group achievement.

Education for safety can take many forms. Special themes have been devised for each day during Farm and Home Safety Week, and to good purpose. All of them seem to say "enjoy farm life — practice safety." Sunday's theme is reverence for life. Monday will stress safety in the home, and Tuesday, the proper handling of agricultural chemicals.

Wednesday will highlight the for preventing falls — one of the major causes of accidents, and Thursday, safety on rural highways; Friday, proper maintenance and careful operation of farm machinery, and Saturday, recreation safety.

Safety is a program for everyone and at all times. Farm and Home Safety Week will have served a good purpose if it impresses upon each of us the gains that result from avoiding and eliminating accidents, and the need for promoting safety every week in the year.

FOUR SEEK TO HEAD LEGION

PITTSBURGH (AP) — Four men vied today for the post of commander of the state American Legion.

Nominated Friday were Regis F. Cusick, 49, of Pittsburgh; Frederick Morley, 63, of Spangler; Joseph I. Harshman, 51, of Fredericktown R.D. 1 and Jacob Hough, 66, of Ford City. Louis Greco is the outgoing commander.

Three vice-commanders were elected Friday at the Legion's 45th annual convention. They are John J. Dean of Philadelphia Post 906, eastern district; George Yorns of New Brighton, western, and Chester A. Duchman of Montandon, central.

In other action, the Legion adopted a resolution repeating its stand for Bible reading in Pennsylvania's public schools.

It also passed a resolution asking the State Department of Public Instruction to plan some type of opening exercise in every school to supplement the present Bible reading declared unconstitutional.

National Farm Safety Week To Be Observed July 21-27

By THOMAS E. PIPER
Adams County Farm Agent

The 20th annual National Farm Safety Week will be observed July 21-27. Cosponsored by the National Safety Council and the U. S. Department of Agriculture, the 1963 campaign will emphasize rural highway and farm machinery safety.

Thomas E. Piper

In 1960, accidents to farm residents resulted in 11,300 deaths and 950,000 disabling injuries. Of the total fatalities, 5,100 were attributed to traffic, and 3,300 to work accidents.

Together, rural leaders and farm families are working to eliminate the accident problem. An 11 per cent decrease in the farm resident death rate during the past decade demonstrates this cooperation. In spite of gradual improvement, we cannot sit back self-satisfied. Accidents are not limited to field or highway or to one age group. Further progress is insured only by the continued safety consciousness of every member of the farm family.

FREE OF SHEEP SCABIES

Pennsylvania, along with Minnesota, Michigan and New Jersey, has been declared free of sheep scabies by the U.S. Department of Agriculture, following campaigns by state and federal livestock regulatory workers.

The scabies-free designation, announced June 20 in the Federal Register, means that precautionary dipping of breeder and feeder sheep being moved to other areas is no longer compulsory. It does not mean that the disease is permanently wiped out.

Established eradication procedures were followed in the four states. All sheep were carefully inspected, and affected sheep were treated and dipped. Reinfection showed that the treated sheep no longer have the disease.

MITES ARE CAUSE

Dr. Sam Guss, Penn State extension veterinarian, says scabies, also called mange or scab, develops from tiny puncture wounds inflicted on the sheep's skin by mites. Chronically diseased skin areas become hardened and covered with a tightly-adhering, scaly, grayish crust. This condition causes intense itching. Seriously infected sheep lose weight and fleece, and may die unless treated.

The disease is transmitted readily from one animal to another by direct contact. Scabies exists within 100 miles of Pennsylvania's borders. Pennsylvania sheep will remain free of this dread disease as long as farmers do not import it again.

SHOULD ATTEND SCHOOL

An estimated 26 million young people, or 2.6 million each year on the average, will join the labor force from 1960 to 1970. This compares with about 1.8 million annually during the 1950's. The increased rate can best be gauged from the fact that the number of persons becoming 18 years old, which was 2.6 million in 1960, will rise to 3.8 million by 1965, a figure almost half again as large as the one five years earlier.

Jobs for young workers will continue to decline in the lower-skilled, blue-collar occupations and in farm production. Employment opportunities in these occupations are shrinking from year

to year. At the same time, applicants will be expected to have higher actual or potential skills to work in expanding industries and occupations.

Youth in rural areas should consider and discuss with their parents the facts that available employment in expanding occupations usually goes to those who are best prepared. College graduates among young job seekers will have the least difficulty landing their first job. In searching for jobs in growth industries, young persons with a high school diploma will continue to have an advantage, both in getting and keeping employment over other youths who quit school before graduating.

CONTROL PARASITES

Farmers are urged to watch for parasites in dairy and beef heifers during the summer. Good pasture management and the right medication are essential for parasite control.

Examine heifers, which have not grown well during the winter months, for worms and treat, if necessary. Two doses of phenothiazine at three-week intervals is usually sufficient if the heifers are put on clean pasture. Old bluegrass pastures may be badly contaminated with parasites. It pays to place heifers by themselves on improved pasture, and rotation graze this pasture if parasites are a problem.

Avoid pasturing heifers under eight months of age, because they cannot eat enough grass to meet growth requirements, and they are especially good prey for internal parasites. Worms seldom become serious where heifers get enough to eat. Many Pennsylvania heifers get a good start during the first eight months of

DR. ILLIA IS GOOD BET FOR ARGENTINE JOB

By ISAAC A. LEVI

BUENOS AIRES, Argentina (AP)—Dr. Arturo Illia, high man in the July 7 elections, appears certain of enough electoral college votes to elect him president of Argentina.

Illia's Peoples Radical party received about 25 per cent of the popular vote. But the 169 seats his party won in the electoral college fell 70 short of the half-plus-one majority needed to make him president.

The 476-seat college will meet their lives. However, lack of good feed and internal parasites prevent their gaining the size and capacity they need to be profitable cows. Big, rugged heifers that can handle a lot of forage are the ones that fill the milk pail.

July 31 to elect a president.

The country doctor from Cordoba Province has been conducting some horse trading with other parties for the additional necessary votes. He seems assured of 73. His candidacy has met with no substantial opposition from any of the other 22 parties.

Deposed President Arturo Frondizi's Intransigent Radical party, which won 109 electoral college votes, has split.

One faction offered to back Illia if he dropped his running mate, Carlos Perette, and accepted an intransigent as vice president. Illia rejected the proposal.

The other faction and former provisional President Pedro E. Aramburu's two-party coalition have remained silent.

Illia, 62, has been concentrating on winning votes from the smaller parties, some of which have a strong following in the provinces.

FARM SAFETY WEEK

JULY 21 TO JULY 27

During Farm Safety Week

Make This "Farm Safety" Inventory

PLAY IT SAFE

- ☐ **Keep machines in good repair**
Keep all guards and safety devices in place. Stop machines before unchanging, oiling or adjusting them. Don't wear low flopping clothes around machinery.
- ☐ **Be a good housekeeper**
Have a place for everything and keep everything in its place.
- ☐ **Be "Firesighted":**
Don't smoke around the barn. Pour gasoline outdoors to prevent the accumulation of explosive vapors. Dryclean outdoors. Don't use kerosene to start fires. Be careful with matches.
- ☐ **Operates tractors safely:**
Start tractors smoothly—turn corners slowly. Avoid ditches, banks and soft ground. Always hitch to the drawbar.
- ☐ **Use the right tools for the job:**
Make sure your tools are in good safe condition. Keep them in a safe place and handle with care.
- ☐ **Watch your step to prevent falls:**
Keep ladders and steps in good repair, with no loose rungs. Make sure they are really accessible in case of emergency, and don't pile things on stairways.
- ☐ **Speak to animals when approaching them:**
Keep them calm by acting with calm self-assurance yourself. Keep bulls in a safe pen.
- ☐ **Apply first aid promptly:**
Even minor injuries may be dangerous if they are not treated immediately. Keep first aid kits in the house, in the barn and on the tractor.
- ☐ **Treat all guns as if they were loaded:**
Keep guns unloaded except when actually using them. Aim ONLY at targets you want to shoot.
- ☐ **Know and obey all traffic laws:**
Follow safe driving practices. Obey all traffic laws.

Jimmy Dean Reaps Record Royalties Awaiting September Bow On ABC Show

Triple threat man, Jimmy Dean, will get a chance to use his comedy and emceeing talents as well as his singing when he stars on "The Jimmy Dean Show" this fall on ABC-TV. Dean's recording of "Big John" (which he himself composed about the wartime exploits of President Kennedy) has reached the all-time sales mark of three million.

By RUTH E. THOMPSON
His opening day as guest-host of the ABC-TV "Tennessee Ernie Ford Show" (noontime July 22, and he'll stay on the job through the following Monday, July 29)

finds handsome Jimmy Dean living up to a song cue by sitting on top of the world. And in real life, if ever a young man was, he is.

Still on the sunny side of 35, Jimmy's currently reaping royalties from the three million sales of what is considered the all-time big selling recording (his own composition, "Big John"); has made himself an enviable eight-

year track record at emceeing as well as singing; and is now at the topmost step of all — a new, hour-long nighttime variety show wearing his name. It bows on ABC September 19.

The six-foot-three Dean has the chisled cheekbones and arresting good looks that might tempt a director to cast him as a heavy if straight acting were his forte. But aside from two turns (stage versions of "Destry Rides Again" and "No Time For Sergeants.") he's not much interested. Further he simply doesn't have the time for acting. And as for playing the heavy well it would be against his basic nature I found as we got into talking about the upcoming fall program.

TEASING HUMOR

I struck against the teasing edge of his humor fast. "Folk music? What's that?"

Though his own background is the country field, the new show won't be limited to any particular style of music, dancing or comedy. "And to set your mind at ease, when we do have folk singing, you can be sure it'll be authentic."

"Before I tell you what we're hoping to have, let me tell you what we don't want. We don't want anybody with a star complex!" (Seems fair enough since

the star himself doesn't have one.) "We want nice people who can work together in harmony. This is going to be a real fun hour."

STARS KAREN MORROW

Proving the point, as it were, is the selection of Karen Morrow as number one girl on the show. They don't come any nicer. Blonde Karen polished her natural talents by cross country tours in musical comedy, guest appearances on major TV shows, and just this season dazzled New York critics with her performance in "The Boys From Syracuse." Star . . . she is, but complex about it, she isn't.

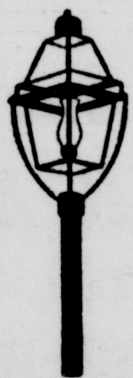

Who'll some of the early guests be? Jimmy who was juggling the ever present coffee container and going over plans for the necessary new and larger offices said, "Well, you can be sure Ernie Ford is going to be invited. He's sure a good ole boy. You know I felt I'd known him for years before we actually met on a Dinah Shore show. . . It's like that with performers in the country field, though. We're very clannish and there's practically no jealousy."

Jimmy must be the target for a lot of other show biz jealousy though with that "Big John" smash of 3,000,000. The gold rec-

DENNIS WEAVER

Dennis "Chester" Weaver, long of "Gunsmoke," has been signed for a pilot film of "Kentucky's Kid" which if all goes well and sponsors sign up could grow into an NBC series.
The series had originally been planned as a vehicle for the late Jack Carson, who died at the year of cancer.
"The Kid" of the title will be played by Rickey Der. His role is that of Dwight Eisenhower Wong, a young Chinese boy who "becomes by adoption, the No. 1 son of Kentucky, a recent widower."

FOREIGN CORRESPONDENT

"No trench, no I don't own one," says ABC foreign correspondent Stanley Rich, on state-side leave from his post in Hong Kong. "The uniform," he says, "is a conservative business suit."
He explodes the legend too, of the foreign correspondent as a fast-traveling loner. With Rich are his wife, their three children, and the children's "amah" (nurse).

Jimmy Dean

(Continued from Page 1)

ord attesting to it all furthermore is as "pure" as they come having been issued by the Recording Industry Association of America. What he really prizes, though, is the smaller gold disc affixed with the letters "C.I.A.A." — that's the one that means the total is not a guesstimate but is based on certified sales. Jimmy thinks, however that the day of the more-than-million-sellers is past "so many new labels, so many people recording."

TALK OF RECORDINGS

We digressed onto recording. "I've done some in New York, the musicians couldn't have cared less! Pretty unpleasant, but I just love to go to Nashville. And it's definitely not just for country music. Lots of pop artists record there too: Connie Francis, Teresa Brewer, Burl Ives. There are wonderful musicians in Nashville, they're enthusiastic, interested and love to come up with something "just a little better."

Jimmy's mother taught him a "little piano" back home in Plainview, Texas, and he "just picked up accordion and guitar" though he insists "what I play best, though, is the comb." Singing seems to have come naturally.

By a fluke, it was his stint with the Air Force that led to show business. His career began inauspiciously enough, toward the end of his three-year service when he was stationed near Washington, D. C. When one member of a trio of his Air Force buddies who performed weekends at a nearby night spot got sick the other two asked Jimmy to bring along his accordion and fill in. The salary? Variable. It consisted of tips split three ways.

SINGING EMCEE

Within a couple of months, though, Jimmy's star began its sure rise. The management — hired him — on salary — as singing emcee.

And after that did he play more night spots? "Heck, let's be more honest. Dives is what they were — fights every night but no TV."

Then a Washington radio-TV station nabbed him as regular. Jimmy married Washington-born Sue Wittauer and they settled down to life in the nation's capital. From there, around 1954, he wrote and recorded a song which

sold 700,000 copies and which he's determined to forget. Because of bad business arrangements, he made no money on it.

Nowadays Jimmy, Sue and their three children, Carry, 11, Coonie, 8, and Robert, 3, live in Tenafly, New Jersey, which is becoming a sort of "Beverly Hills of the East." Among the neighbors are Tony Bennett, Jerry Vale and Paul Anka.

It was CBS which brought Jimmy to New York where as singing emcee he made a pretty good showing a few years back against the mighty "Today Show."

Now a thoroughly seasoned, magnetic performer, Jimmy is

as hard-working as he is easy going. And in addition to his own talents, another powerful force is at work to make a success of "The Jimmy Dean Show." It's Bob Banner as executive producer. Like Midas, everything Banner touches (the early hour-long Dinah Shore Show, The Garry Moore Show) turns to gold.

Yup, that's Jimmy Dean up there, sitting on top of the world.

DIALING AROUND

Hollywood, which takes such things seriously, has a new honorary mayor, Steve Allen, who takes over from retiring "Mayor" Charlton Heston. Predecessors in the office are Lawrence Welk and Art Linkletter.

It's becoming a trend! That's the once unheard custom of doing the repeat of a major show on a different network from the one on which it was originally presented. Newest such is "The Bing Crosby Show" originally presented "on another network" in May of 1962. The rerun will be on August 14 on NBC. And speaking of Crosby, did everybody see the charming pictures of the Mrs. Kathy Grant, in her for-real nurse's cap at recent Los Angeles graduation exercises. It's said she's been reporting for work at the hospital for years at

6 a.m. to earn the credits. Highly unusual attainment for a mother of young children!

When "Mr. Novak" premieres in September there'll be a credit line saluting as "special guest stars 1,000 wonderful students from John Marshall High, Los Angeles." After the mob scene of opening day, though, things seem to be simmering down. The latest word is that "50 typical high school students have been selected to appear as a rotating student body of the fictional Jefferson High School."

Too many good entertainers, Robert Q. Lewis (who overcame it but good) and Herb Shriner have suffered slack television seasons because producers were afraid of "over-exposure." Let any such take heart. Just before his recent illness Eric Johnston, president of the Motion Picture Association of American said of Ed Sullivan, "He has routed the myth of overexposure by being good for nearly 300 programs in a row."

LAUGH LINES

Punny newsman Edwin Newman offers this latest from his play-on-words collection. Says the recent news report of a volcano erupting put him in mind of a suitable theme song, "Lava Come Back To Me."
